Important Customer Information

These notes are for your guidance and do not form part of the insurance contract.

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance. So that you understand what you are covered for, please read this policy, the Policy Schedule (which may make reference to Endorsements) and the Certificate of Motor Insurance very carefully. You should pay special attention to the General Exceptions & General Conditions of this policy.

The words or phrases shown under the Definitions section of this policy document commencing on page 7 have the same meaning whenever they appear in this policy document or in the Certificate of Motor Insurance, Policy Schedule or Endorsements.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your Insurance Intermediary.

So that you can easily identify these words and phrases they are shown in bold print throughout this policy document.

Guidance notes

There are useful guidance notes shown in shaded boxes throughout the policy document. The guidance notes do not form part of the insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

What to do in the event of an accident

Regardless of blame it is important that you take the following action:

Stop: Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch: Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your car).

Note down: You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

Take a photo: If you are able to do so, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide: You must give your own details to anyone who has reasonable grounds for requesting them.

DO NOT: Do not admit responsibility, either verbally or in writing. Instead, simply supply your details along with your policy number to the other driver(s)/person(s) involved in the accident and ask him/her to call the claims advisors on 0344 873 8183.

By passing these details to the other person(s) involved in the accident you will give him/her the opportunity of obtaining assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this. If for any reason you have not been able to exchange details with other drivers or owners of property or you were in a collision with an animal, you must report the accident to the police as soon as possible, and certainly within 24 hours of the accident.

Please call 0344 873 8183 within 24 hours of the accident, but ideally within 1 hour. This is regardless of whether you wish to make a claim under the policy or not. Delay in notification of an incident may invalidate your right to claim.

Please quote your policy number and give all relevant information about the incident.

If your claim is due to theft, attempted theft or vandalism you must also inform the police and obtain a crime reference number.

Benefits of an immediate call

Calling straight away provides you with benefits which may include the following (dependant on the level of policy cover you have):

- Windscreen repair/replacement.
- free collection and re-delivery.
- free car cleaning service.
- Repairers' work guaranteed for three years.

Your claim and claims made against you, will be dealt with as quickly and fairly as possible. Please read the General Conditions in this policy booklet.

For our joint protection telephone calls may be recorded and monitored by us.

Notification of changes

To keep **your** insurance up to date please notify **us** straight away via **your insurance intermediary** about changes which affect **your** cover. Some examples are:

- A change of vehicle or **you** have purchased another vehicle to which **you** want **your** existing cover to apply.
- **You** wish a new driver to be covered.
- The **insured vehicle** is changed or modified from the manufacturer's standard specification or **you** intend to change or modify it (including the addition of optional fit accessories).
- A change in the use of the **insured vehicle**.
- A change relating to the ownership of the **insured vehicle**.
- The **insured vehicle** has been stolen or is involved in an accident no matter how trivial.
- If the **insured vehicle** is likely to exceed the annual mileage declared at the commencement or renewal of the policy for which **you** may have received a discount.
- Any change in the main user of the vehicle.
- Someone who drives the **insured vehicle** is convicted of an offence (whether motor related or not) or fixed penalty or other licence **endorsement** or suffers from a medical condition or has a claim on another policy.

- The security system fitted to the **insured vehicle** is no longer in operation.

- Any Advanced Driver Assistance Systems fitted to the **insured vehicle** that require recalibration or are not in working order.

This is not a full list and if **you** are in any doubt **you** should advise **your insurance intermediary** for **your** own protection. If the information provided by **you** is not complete or accurate **we** may cancel **your** policy and refuse to pay any claim, or **we** may not pay any claim in full, or **we** may revise the premium and/or change the compulsory **excess**, or the extent of the cover may be affected.

Guidance Notes - Notification of Changes

The premium that **you** pay is based on information **you** supplied at the inception or renewal date of this insurance policy. If **your** circumstances, or the circumstances of any driver covered by this policy change, then the premium needs to be recalculated to ensure **we** are collecting the correct premium for the risk. It is important that **you** notify **your insurance intermediary** immediately of any changes such as those examples given under Notification of changes. If **you** fail to supply details of changes or the information supplied by **you** is not complete or accurate then **we** may cancel **your** policy and refuse to pay any claim, or **we** may not pay any claim in full, or **we** may revise the premium and/or change the compulsory **excess**, or the extent of the cover may be affected.

Section A - Loss of or Damage to the Insured Vehicle

This section only applies if the cover shown on **your Policy Schedule** is **Comprehensive**.

What is covered

We will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism (malicious fire damage is covered by Section A of this policy). Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement car; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value** or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

We may deduct any outstanding premium from the agreed settlement value of the **insured vehicle**.

We are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement **you** have entered into over and above the cost of replacing **your** vehicle.

If the **insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle** is deemed to be beyond economical repair the damaged car becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will pay up to the amount defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase or Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of **your** claim, **we** will pay **you** the difference.

Section A - Loss of or Damage to the Insured Vehicle (continued)

In-car communication, navigation and metering equipment

We will pay an amount of no greater than £750 in respect of any one occurrence for loss of or damage caused to permanently fitted in-vehicle communication, navigation and metering equipment.

Any amount payable in respect of **in-car communication, navigation and metering equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- the most **we** will pay toward the cost of labour to repair the **insured vehicle** will be the labour rate quoted by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Guidance Notes – Finance or Lease Agreement

If **your insured vehicle** is the subject of a finance or lease agreement and **your** vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the **market value** or **written down value** placed on **your insured vehicle** may not be sufficient to satisfy that agreement.

This policy does not cover any amount **you** are contractually obliged to pay under any lease or finance agreement, **you** have entered into, over and above the cost of replacing **your** vehicle.

We would recommend that **you** discuss any concerns that **you** may have with **your insurance intermediary** who may be able to supply **you** with details of products available to cover any shortfall.

Section A - Loss of or Damage to the Insured Vehicle (continued)

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety; and the cost of re-delivery after repairs to **your** home or business address;

Whichever is the lower amount; and

- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your personal belongings** from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Guidance Notes – Flood Advice

If possible move **your** car to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).

Do not attempt to drive **your** car through floodwater as it is inevitable that this will damage **your** engine particularly if **your** car has a diesel engine or turbo charger. The policy does not pay for electrical faults and these are also likely to occur if **you** do drive through floodwater.

If **your** car is submerged do not try to start the engine. If possible get **your** car pushed or towed out of the water and allow it to dry out. **You** may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to the **insured vehicle** resulting from flood damage are covered if **your** policy cover is comprehensive but claims will be subject to the policy **excess**. A comprehensive policy will also pay for towing as well as damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown within this document.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft

This section only applies if the cover shown on **your Policy Schedule** is either Comprehensive or Third Party Fire and Theft.

What is covered

We will cover **you** against loss of or damage to the **insured vehicle** (less any **excess** that applies) caused by fire (other than fire by vandalism or malicious intent), lightning, self-ignition, explosion, theft or attempted theft.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section **we** may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement car; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**,

whichever is the lower amount.

- the **written down value**, agreed value or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

We may deduct any outstanding premium from the agreed settlement value of the **insured vehicle**.

We are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement **you** have entered into over and above the cost of replacing **your** vehicle.

If the **insured vehicle** was not first registered from new in any country within the **geographical limits** **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the insured vehicle:

- is stolen and has not been recovered at the time of settlement; or
 - is deemed to be beyond economical repair as a result of a loss covered under this section of the policy.
- The lost or damaged vehicle becomes **our** property once a claim is met under the policy.

You must send **us** the vehicle registration document, and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will pay up to the limit of liability defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase or Lease company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of **your** claim, **we** will pay **you** the difference.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

In-car communication, navigation and metering equipment

We will pay an amount of no greater than £750 in respect of any one occurrence for loss of or damage to permanently fitted in-vehicle communication, navigation and metering equipment caused by fire (other than by vandalism or malicious intent), lightning, explosion, theft or attempted theft. Any amount payable in respect of in-vehicle communication, navigation and metering equipment will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Repairs

Repairs are normally undertaken by **our approved repairer**. If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- the most **we** will pay toward the cost of labour to repair the **insured vehicle** will be the labour rate quoted by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee. **We** will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home address; whichever is the lower amount; and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing. **You** should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

Guidance Notes - Preventing Crime

Don't give criminals an easy ride. Car crime makes up 20% of all recorded crimes in the UK.

Most thefts can be prevented - and it's in **your** interest and ours to take some simple precautions. Most things are common sense. Lock **your** car and remove **your** ignition key/locking device when leaving it for even a short time e.g. at a petrol station or cashpoint machine.

Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the car. Always keep keys secure even inside **your** home (do not leave keys where a burglar can easily find them).

Keys and locking devices should always be kept in a safe and secure place - do not leave them on a wall hook, windowsill or in a jacket pocket close to the vehicle. Take appropriate measures to safeguard the vehicle when showing it to prospective purchasers.

Do not keep items such as the car registration document, service book, MOT certificate or Certificate of Insurance in the car and never leave any valuables on view in the car. **You** should remove items such as CD players, Radios/MP3 players and portable satellite navigation equipment whenever possible.

Use good-quality locks and security devices.

Park in a secure place if **you** can. If **you** have a garage, use it and lock it!

- If **you** ask **us** to do so any passenger travelling in or getting into or out of the **insured vehicle**; and
- any person using (but not driving) the **insured vehicle** for social domestic and pleasure purposes with **your** permission; and
- **your** employer or business partner in the event of an accident occurring while the **insured vehicle** is being used for business by **your** employer or business partner as long as **your Certificate of Motor Insurance** allows business use by such person; and

If **we** agree to pay these costs under this policy the choice and appointment of legal representation and the extent of any assistance that **we** provide will be entirely at **our** discretion. There will be no agreement to pay these costs unless **we** have confirmed this to **you** in writing.

Emergency Medical Treatment

We will pay emergency treatment charges required by the Road Traffic Acts. If this is the only payment **we** make, it will not affect **your** No Claim Discount.

We shall not be liable:

- if the person claiming is otherwise insured; or
- for the death of or injury to the driver of the **insured vehicle**; or
- for loss or damage to property belonging to or in the care of any person insured under this section or for not being able to use any such property; or

- for loss or damage caused deliberately by **you** or any person who is in charge of the **insured vehicle** with **your** permission.

Section D - Glass Damage

This section applies only if the cover shown on your Policy Schedule is Comprehensive.

What is covered

We will pay the cost of repair/replacement of broken glass windscreens or glass windows, without loss of No Claim Discount providing the work is carried out by **our** approved replacement service.

We may at **our** option use parts that have not been supplied by the original manufacturer. If **you** insist that **we** use parts supplied by the original manufacturer even though alternative non-original manufacturer parts are available **you** will be required to pay **us** any difference in the cost of such parts.

If an incident occurs involving the breakage of multiple items of glass **we** will only pay for one piece of glass under this extra benefit.

In the event of an incident likely to give rise to a claim for damaged glass please contact **our** approved replacement service via **our** 24 hour Claims Helpline on 0344 873 8183.

If **you** do not use **our** approved replacement service cover is limited to an amount of £75 (after the deduction of any **excess** that applies) in any one annual **period of insurance**, without loss of No Claim Discount.

What is not covered

- **You** will be required to pay the first £75 of each claim under this section in respect of a replacement windscreen or window. Where the windscreen or window can be repaired and does not require replacement, any claim for repair will not be subject to payment of an **excess**.

- **We** will not pay claims for mechanical items associated with the window mechanisms of the **insured vehicle** under this section.

- **We** will not pay the cost of importing parts or items of replacement glass that are not available in the United Kingdom.

- **We** will not pay claims for the repair or replacement of glass roofs, **panoramic windscreens**, lights/reflectors or folding rear windscreen assemblies under this section. Cover for these items will be supplied under Section A of this policy.

- Loss or damage caused deliberately by **you** or by any person who is in charge of the **insured vehicle** with **your** permission.

Section E - Foreign Use of the Insured Vehicle

What is covered

Legal minimum insurance

While the **insured vehicle** is in:

- any country which is a member of the European Union (EU); or
- any country which the Commission of the European Communities is satisfied has made arrangements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of a motor vehicle, this policy provides the minimum level of cover in respect of liability which is legally insurable in the country concerned. This legal minimum insurance does not include cover for loss of or damage to the **insured vehicle**.

Full policy cover

In addition to the legal minimum cover shown above, this policy can be extended to provide the cover shown in **your policy schedule** to any member country of the EU and also Andorra, the Channel Islands, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino and Switzerland provided that:

- the use of the **insured vehicle** abroad is limited to no more than 30 days in total in any one annual **period of insurance**; and
- **you** or any permitted driver are normally resident within the **geographical limits** of this policy; and
- **your** visit abroad is for social, domestic or pleasure purposes.

If **you** wish to extend the full policy cover shown on **your policy schedule** to the countries listed above **you** must contact **your insurance intermediary** in advance of **your** intended trip abroad and obtain **our** agreement to provide cover.

Any agreement by **us** to extend full policy cover beyond the limits above may be subject to an additional premium. Additional policy restrictions may also apply.

A Green Card is not required for the countries listed above.

If the policy is extended to provide the cover shown on **your policy schedule** whilst abroad:

- insurance is automatically provided on the **insured vehicle** while it is being transported (including loading and unloading) between ports in countries where **you** have cover, provided the **insured vehicle** is being transported by rail or a recognised sea route of not more than 65 hours duration; and
- **we** will pay the cost of delivery of the **insured vehicle** to **you** after repairs in the country in which damage was sustained, or to **your** home address, whichever is the lower amount, if the damage cannot be repaired economically by the intended time of **your** return to the United Kingdom or if the vehicle is stolen and recovered after **your** return to the United Kingdom; and
- **we** will pay the amount of foreign customs duty for which **you** are liable as a direct result of loss or damage to the **insured vehicle** preventing its return to the United Kingdom.

The exceptions applying to sections A, B & C of this insurance also apply to this section.

Section E - Foreign Use of the Insured Vehicle (continued)

Guidance Notes - Going Abroad

The policy does not automatically provide full cover abroad so, before travelling, please contact **your insurance intermediary** to arrange cover. The extended full insurance will then cover **you** in the countries for which **we** have agreed to provide cover and when **your** vehicle is travelling by rail or sea between those countries.

Unless **you** notify **your insurance intermediary** in advance of a trip abroad, the cover will be limited to the minimum cover **you** need under the law of the relevant country (EU minimum insurance). This minimum insurance will not provide any cover for damage to **your** vehicle.

Take **your Certificate of Motor Insurance** as evidence of insurance when **you** travel abroad.

If **your** vehicle suffers any loss or damage that is covered by this insurance and the vehicle is in a country where **you** have full policy cover, **we** will refund any customs duty **you** pay to temporarily import **your** vehicle.

We will only consider extending this insurance to countries which are covered by the International Green Card system.

If **you** are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialing code for the UK: Telephone 0044 (0)1246 225001

Section F - Public Liability

What is covered

In addition to the cover provided by Section C of this policy in respect of the liabilities arising from the use of the **insured vehicle** we will also cover **your** legal liability to any public authority, company, firm or person (a 'principal') assumed by **you** or **your** driver under a contract or agreement but only as far as concerns the liability of the principal for any negligent act or omission of **you** or **your** driver. Cover only applies whilst **you** or **your** driver are engaged in the work which is the subject of the contract entered into between the contracting parties.

The most we will pay under this section for any one claim or series of claims arising out of any one event is £5,000,000 inclusive of costs and expenses.

For cover to apply under this section the accident or loss must be caused by **you** or one of the persons permitted to drive the **insured vehicle** as shown on the **Certificate of Motor Insurance** (**your** 'authorised drivers').

Cover applies regardless of whether **your** authorised driver is employed by **you** or is contracted to **you** and working for **you** on a self-employed basis.

Payment can only be made under this section if **you** have reached prior agreement with the principal that the conduct and control of all claims arising under this section of the policy will rest with Insenture Underwriting Services Limited.

What is not covered

This section of **your** insurance does not cover the following:

- any legal liability arising from the ownership or occupation of any premises by **you** or **your** authorised driver; or
- death of or bodily injury to any person if such death or injury arises of or in the course of his/her employment; or
- any incident where **your** legal liability is insured by a policy either in **your** name or that of **your** authorised driver covering the same liability, loss or damage; or
- claims arising from wrongful arrest; or
- claims resulting from criminal and/or alleged criminal acts by **you** or **your** driver; or
- punitive or exemplary damages whether as fines, penalties, multiplication of compensatory awards or damages in any other form whatsoever.

Section G - No Claims Discount

As long as no claim is made under this policy during any annual **period of insurance**, we will give **you** a discount when **you** renew **your** insurance. The discount **you** will receive will be in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal. However, **your** entitlement will be affected in the event of a claim or multiple claims being made under this policy.

Your No Claim Discount will not be affected in the following circumstances:

- if **we** make a full recovery of all payments made by **us** in connection with the claim; or
- if **you** only claim for a broken windscreen or window under Section D of this policy and use **our** approved replacement service; or
- if **we** only have to pay for an emergency treatment fee.

If **you** make a claim or if a claim is made against **you** for an event which **you** may not consider to be **your** fault and **we** have to make a payment this will affect **your** No Claim Discount unless **we** can recover **our** outlay in full from the responsible party.

If **you** decide to cancel **your** policy and premiums remain outstanding **we** will not be able to issue proof of no claim discount until the outstanding premiums are paid. **You** cannot transfer **your** No Claim Discount to somebody else.

Guidance Notes - No Claim Discount

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although **you** are not claiming for damage to **your** vehicle, there is a potential for a claim against **your** policy by the **third party**. In these circumstances **we** may disallow **your** No Claim Discount for up to 12 months until **we** are confident that a **third party** claim is unlikely to materialise.

Section H - Protected No Claim Discount

This section only applies if shown on your policy schedule

You must have proved that **you** have an entitlement to at least five years' No Claim Discount.

You will not lose any of **your** No Claim Discount as long as **you** make no more than two claims in any three year **period of insurance**. If three or more claims are made in any three year **period of insurance** we will reduce the discount **you** receive in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal.

Our agreement to protect **your** No Claim Discount does not mean that the premium cannot be increased at renewal of **your** policy to reflect an adverse claims record or driving history.

These General Exceptions apply to the whole of the insurance policy.

- in entering into this contract **you** have taken all reasonable care in answering all questions in relation to this insurance honestly and to the best of **your** knowledge.

Your premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell **us** via **your insurance intermediary** immediately of any change to that information, some examples are any changes to the **insured vehicle** which improve its value, attractiveness to thieves, performance or handling, any change of car, change of occupation (including part-time), change of address (including where car is kept), change of drivers, if **you** or any drivers pass **your** driving test or sustain a motoring or non-motoring conviction or there is a change of main driver.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 **your** failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in **your** policy being cancelled or **your** claim being rejected or not fully paid.

If you or anyone acting on your behalf knowingly commit a fraudulent act or submit a fraudulent document or make a fraudulent statement or exaggerate any claim made under the policy, we will not pay the claim and cover under this and all other insurances currently in force with us with which you are connected will cease immediately.

You will not be entitled to any refund of premium under any policy.

2. Looking after your car

You or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. **You** or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the car should not be left unlocked when **unattended**.

We shall at all times be allowed free access to examine the **insured vehicle**.

3. Having an MOT certificate

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections A and B of this insurance is cancelled and of no effect.

4. Licensing and Local Authority Regulations

You and any named driver, who is using the **insured vehicle** for profit, must at all times be in possession of a valid Public Hire Licence, comply with the local authority licencing regulations and the **insured vehicle** must display a valid licence plate in accordance with such regulations. Failure to comply with these terms may result in all cover under this policy being cancelled and of no effect except for cover as strictly required by the Road Traffic Acts.

General Conditions (continued)

5. Accidents or losses

a) Notification

In the event of an accident or incident likely to give rise to a claim which is covered under the policy, **you** must as soon as possible telephone the 24 hour Claims Helpline (this must be within 24 hours of the incident occurring).

You must immediately notify all incidents (irrespective of your intention to claim under this policy) to the 24 Hour Claims Helpline on 0344 873 8183 and in any case within 24 hours of the discovery of any incident or accident.

Please also refer to Page 4 of this policy booklet 'What to do in the Event of an Accident' for further guidance.

If the loss or damage is covered under the policy, the Claims Helpline operator will make arrangements to remove the **insured vehicle** to the nearest **approved repairer**, competent repairer or place of safety, and safeguard the **insured vehicle** and its contents.

We will not pay for further damage to the insured vehicle if you drive it or attempt to drive it in a damaged condition. If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the police and obtain a crime report number. We have the right to remove the insured vehicle at any time to keep claims costs to a minimum. If the insured vehicle is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing.

b) Additional requirements for making a claim

Wherever possible **you** must:

- notify **us** of the accident or incident in person; and

- use **our approved repairer** to undertake repair work; and

- supply full details of the accident or incident and include the names and addresses of all third parties, passengers and witnesses.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** must supply this documentation before **we** can proceed with the settlement.

6. Claims procedures

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent. Any indication of a claim against **you** must be notified to **us** as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately. **We** shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance and will have full discretion in the conduct of such proceedings. **You** must give **us** whatever cooperation, information and assistance **we** require in dealing with any claim under this policy. If there is any other insurance in force which covers the same loss, damage or liability as this insurance, **we** will only pay **our** proportionate share of the claim.

7. Cancellation

Cancelling the policy within the reflection period

This insurance provides **you** with a reflection period to decide whether **you** wish to continue with the full policy. The reflection period is for 14

General Conditions (continued)

days from the date cover commences or the date **you** receive **your** policy documentation whichever is the later.

If a period of less than 14 days has elapsed since **you** received **your** policy documentation, and **you** have not made a total loss claim, **you** have the right to cancel the policy and receive a refund of premium:

- If at the date of cancellation **your** policy has not yet commenced **you** will receive a full refund from us; or

- If **your** policy has already commenced, **we** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less a charge of £20 to cover **our** administration costs.

Canceling the policy after the reflection period

Cancellation by us

We can cancel this policy at any time if there are serious grounds to do so, including but not limited to the following examples:

- where **your insurance intermediary** has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **your insurance intermediary** when **you** took out this policy); or

- **you** have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or

- **you** have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, utility bill etc.); or

- **you** have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or

- where **you** fail to maintain the **insured vehicle** in a roadworthy condition or **you** fail to look after it in accordance with General Conditions 2 and 3 of this policy; or

- where **we** have grounds to suspect fraud or misrepresentation; or

- where **you** use threatening or abusive behaviour towards a member of **our** staff or a member of staff of **your insurance intermediary** or **our** supplier, or

- where **you** or any named driver are using the **insured vehicle** for profit and are not in possession of a valid Public Hire Licence or are not complying with the local authority licencing regulations or the **insured vehicle** is not displaying a valid licence plate in accordance with such regulations.

We will do this by giving **you** 7 days notice in writing to **your** last address notified to us. **Your** last notified address may include an email address nominated by **you** to accept correspondence.

General Conditions (continued)

We will refund the premium on a pro rata basis. An administration charge of £20 will apply. A refund of premium is only available as long as:

- the **insured vehicle** has not been the subject of a total loss claim (i.e. written-off or stolen and not recovered); and
- cancellation is not due to any fraudulent act by **you** or anyone acting on **your** behalf.

We also reserve the right to retain all premium paid for the current **period of insurance** in the event that a fault claim has been made against the policy during this period.

Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current **period of insurance** and premium amounts are outstanding we may at our discretion reduce any claims payment by the amount of outstanding or overdue premiums that **you** owe us.

Cancellation by you

You or **your insurance intermediary** can cancel this policy either from the date **we** are notified in writing or a later date as requested by **you**. Providing there have been no claims in the current **period of insurance** we will refund the premium based on **our** cancellation scale shown below, less **our** administration charge of £20.

Guidance Notes - Policy Cancellation

Please note that any refund from **us** whether during or after the reflection period may be subject to a further cancellation charge levied by **your insurance intermediary**. Any charges levied by **your insurance intermediary** will be in accordance with the terms and conditions agreed between **you** and them at the time **you** arranged this insurance.

General Conditions (continued)

8. Total Losses and stolen vehicles

If as a result of a claim the **insured vehicle** is determined to be a total loss or **your** vehicle has been stolen and not recovered this policy will be cancelled without refund of premium unless **you** change **your** vehicle to another that would normally be acceptable to **us** or the stolen vehicle is recovered and not a total loss.

In the event of the policy being cancelled due to the **insured vehicle** being a total loss or stolen and not recovered, and there being no replacement vehicle to insure (or if there is a replacement vehicle to insure which is unacceptable to us), all outstanding or overdue premiums, including any administration charge due, must be paid immediately. **We** may at **our** discretion reduce the claims payment by the amount of outstanding or overdue premiums that **you** owe us.

9. Right of recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to us.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** have to make because **we** are required to do so by compulsory insurance law or an agreement with the Motor Insurers' Bureau will prejudice **your** No Claim Discount and will also mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

MID and the data stored on it, including **your** personal details, may be looked at and used by certain statutory and/or authorised bodies including the Police, the DVLA, the Insurance Fraud Bureau and other bodies permitted by law.

If **you** are involved in an accident (in the UK or abroad), insurers and/or the MIB may search the MID to obtain relevant information.

Credit Searches and Accounting

In assessing an application for insurance or policy renewal, **we** may search files made available to **us** by credit reference agencies. They keep a record of that search.

Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud.
